

# JOY NOISE

*Dear Brothers and Sisters in Christ,*

The Apostle Paul used that phrase a lot as a greeting to remind us that we all belong to each other as the family of God. I want you to know that we were overwhelmed by God providing 70 people in worship for our first Preview Worship. The Sports Center was filled with no more room to grow. The Spirit anticipated all of this because we have been exploring the option of leasing worship and ministry space from New Life Community Church. New Life approached us about leasing the space because they were not using their building on Sunday morning. The plan is for us to do our second preview worship at New Life on July 20<sup>th</sup> and we will begin our lease on August 1<sup>st</sup>. This will give us a month to get the mission center ready for our 3<sup>rd</sup> preview worship and to make plans for fall ministry.

You will notice that I called the building a Mission Center. I would like people to consider the building as a place to do mission out of, rather than a church to attend.

Spirit of Joy's Mission Center is located at 38079 Center Ridge Road just west of Kim's Restaurant.
