

## Vision & Structure

Our vision is simply to "change lives with Jesus' love" -- and we do that by starting with ourselves and moving outward -- changing our families, our neighborhoods, our communities - and eventually, our world!

Like most purpose-driven churches, we name the important building blocks of our ministry in particular way:

- Celebrating (worship in a joyful, life-grounding way)
  - Cultivating (Christian education and life-long discipleship)
  - Caring (ministry for those in and outside the church)
  - Connecting (witnessing to Jesus and inviting folks into the body)
  - Contributing (honoring God with our spiritual gifts and financial sacrifice)
- We sum it all up in our goal statement: to "connect others to Christ, cultivate hearts like Christ, and celebrate life in Christ."
